REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: the prior art of record does not disclose the method of using a collapsible exercise device as claimed, wherein the device includes a first and second combination pulley-support and pull-up bars each pivotally connected to the first end of the adjustable incline for movement between at least a substantially vertical position and a substantially non-vertical position, first and second pulleys movably connected to the first and second combination pulley-support and pull-up bars for movement of the pulleys to a desired location.

The pulleys 92 are attached to eyebolts 6 on the bar 15.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
